

Mentoring Program 2023

Call for mentors

Mix of online and in-person sessions.

Work with ADR practitioners who want to develop their knowledge and skills.

“Each One, Teach One”

The Ciarb UAE Branch invites seasoned alternative dispute resolution (ADR) practitioners to participate as mentors for its second mentoring program “Each One, Teach, One”. The first mentoring program was successful as it greatly enhanced connections, collaboration and cooperation between our members. To continue the professional development of members, we seek mentors to contribute to our next program in 2023.
