

Mentoring Program 2023

Mentee Applications

Mix of online and in-person sessions.

Work with ADR practitioners who want to develop their knowledge and skills.

“Each One, Teach One”

The Ciarb UAE Branch invites members interested in developing their knowledge and competencies in alternative dispute resolution (‘ADR’) to participate as mentees in its second mentoring program “Each One, Teach, One”.

The mentoring program provides a unique platform for members to connect with and learn from the experience of more senior members of the Ciarb’s community. We have highly experienced and qualified mentors on this mentoring program ready to provide guidance on your development in ADR. This mentoring program is also aimed at enhancing connections, collaboration and cooperation between our members. The deadline for receiving expressions of interest from mentees is 28 February 2023.

For expressions of interest, contact:
